Brodie believes his clients should have information about options available to them in the planning process. His clients have clear goals. Implementing a plan to achieve those goals requires careful analysis of the choices and decisions which should be considered. His experience in banking and accounting are important in reviewing those choices.

Brodie earned his undergraduate degree at the University of North Carolina at Chapel Hill and completed course work in preparation for the CPA exam at North Carolina State University. Brodie received his law degree from Campbell University and has been licensed in North Carolina since 1984.

A Rich Tradition. A Bright Future.

We exist to help our clients achieve their visions for the future.

We stand shoulder to shoulder with our clients, helping them to anticipate, avoid and overcome challenges and obstacles to their successes.
