Practice Areas Intellectual Property

We help clients protect their identities, content, ideas and secrets. Intellectual property may be what gives your business a competitive advantage, recognition, or even an existence in the marketplace. We work with businesses, inventors, startups, and marketing teams alike to identify, clear, protect, manage and exploit these most important assets to allow clients to extract maximum value. Our attorneys work with a network of attorneys and clients around the world to help our clients protect their IP assets in markets worldwide.

We manage portfolios worldwide and combine technical legal advice with practical and business oriented solutions. Examples of our capabilities include:

- Trademark research, clearance, registration and maintenance
- Patent prosecution, infringement and invalidity studies
- Copyright registrations and agreements
- Trade secret protection and policies
- Licensing
- Nationwide IP litigation experience

A Rich Tradition. A Bright Future.

We exist to help our clients achieve their visions for the future.

We stand shoulder to shoulder with our clients, helping them to anticipate, avoid and overcome challenges and obstacles to their successes.
